FOUR SEASONS OF ATTENTION TO BEAUTY.

Our design and consultation services include personal consultation and site visits, conceptual drawings, construction documents, presentation and education.

Our installation and project management is efficient and professional in construction document implementation, garden installation, general contracting, and subcontracting.

Our site maintenance keeps your landscape looking beautiful through the seasons by providing horticultural design and upkeep, general gardening services, lawn care and property management.

We at Edelweiss Design, Inc. are devoted to creating and maintaining your home or commercial landscape. We provide unsurpassed design, build, and maintenance services for the Twin Cities area, including:

- ✦ sophisticated hardscapes, patios and garden paths
- ✦ year round landscape and garden maintenance
- ✦ artistic floral beds and containers
- ✦ streetscapes and tree plantings
- ✦ pools and fountains
